Dear Sir:

Yours at hand  
I am doing very little in  
coins but when you have  
a nice pile of paper  
money or stamps would  
like your catalogue  
Would you like to take  
500 or 1000 of the \$1.00 Hungarian  
Notes and say 1000 Porto  
Rico postal cards to work  
off in your next sale  
Low gets very good price  
and sell considerable  
for me in his sales.  
Yours Truly
